

New York

New York

This month we have an excellent new concept for desserts, Elements. Designed by chefs, Elements offer a consistent high quality, with a different contemporary twist every time. Elements stimulate the chefs' creativity whilst respecting time and budget constraints.

The featured dessert has been created using the Elements shown below. These dessert elements are frozen but due to their small volume they thaw in no time, which provides flexibility in supplying quickly and on demand.

B33.22
Crumble Almonds

B33.21
Caramel Piping Bag
(Small)

B33.20
Base Brownie
(With Nuts)

B33.08
Maxi Quenelle
Tanzania Choc

B33.07
Maxi Quenelle
Tonka Choc

B33.04
Maxi Quenelle
Mascarpone
