PRESS RELEASE

For immediate release, October 2019

Town & Country Fine Foods are delighted to launch a stunning new selection of chocolate creations by La Rose Noire.

Available exclusively from Town & Country Fine Foods, the three exquisite creations are: Mini Chocolate Cones, Speckled Chocolate Shells and Chocolate Volcanic Discs. Each item has been meticulously designed with the professional chef in mind and joins an already outstanding hand-crafted range of chocolate shells, semi-finished desserts, décor and tart shells.

Mini Chocolate Cones

Speckled Chocolate Shells

Volcanic Chocolate Discs

Assorted Mini Chocolate Cones

Delightful assortment of mini chocolate cones with natural vanilla flavouring in 6 varieties consisting of dark chocolate, milk chocolate and white chocolate, with 3 white chocolate cones created using green, orange and pink natural colouring. Measuring only 55mm high, these bite-size chocolate cones will make an impressive impact at any event and are ideal for sweet fruit or ganache fillings and tasty toppings.

Speckled Chocolate Shells

A stunning collection of out-of-this-world hand-made speckled chocolate shells, adding to the unique Chocolate Universe range created by La Rose Noire. Here we have the exquisite Mars shell, created with 3 circular cuts to represent the 3 moons of planet Mars. We also have the Globe, a smooth shell without shaping, which can be used as a base for a dessert or joined with another shell to create a sphere. Each of the shells have been hand-made with white chocolate and delicately decorated using natural pink colouring, with a speckled gloss finish. They are available in two sizes large and small and are perfect for fine dining desserts or afternoon teas, offering consistent quality every time.
